## RECYCLING AND DISPOSAL PRICING:

|                     |                     |
|---------------------|---------------------|
| Clean Soil/Fill     | Priced by load size |
| Green Waste         | <b>\$ 40/ton</b>    |
| Concrete            | Priced by load size |
| Wood Pallets        | <b>\$40/ton</b>     |
| Reinforced Concrete | Priced by load size |
| Sod and Soil        | Priced by load size |

- Clean fill- must be free of debris, sod, roots, or trash
- Green Waste- (must be less than 6" in diameter) branches, leaves, limbs, and plant waste- free of any soil or debris
- Clean Fill- no organics, roots, sod, or trash
- Sod and Soil- pure sod and soil—no rock, root balls, branches, weeds, or debris
- Wood Pallets- no pallets with excessive coloring, plastic, nails, or trash
- All loads will be inspected. Additional charges may apply for contamination

We reserve the right to reject any load for any reason. **Absolutely NO** Hazardous Materials, PCB's, Liquids and Containers with Liquid, Dead Animals, etc.
